By attaching my signature to this statement I as parent/guardian give my permission for my child to attend and participate fully in the Tennessee Association of Student Councils Leadership Camp 2018. Also, by attaching my signature to this statement, I understand the following:

1. That the TASC Leadership Camp Staff, following its normal practices and procedures, will establish and implement certain guidelines consisting of, but not limited to or necessarily wholly reflective of, those generally prescribed by secondary and middle school supervisors and administrators of the State of Tennessee;
2. That the above-mentioned student will be held strictly in accordance with those rules and shall be punished upon their violation, up to and including expulsion from camp and notification of his/her school's administration and organization advisor of such violation and resulting action;
3. That upon such expulsion from camp for violation of camp rule(s), I am severally responsible for providing transportation and any other requisite action, as immediately as possible under the circumstances, to affect the above-mentioned student's departure from camp premises and his/her travel to his/her residence or other such appropriate destination;
4. That campers will not be strictly supervised during all hours of the day;
5. That campers will have limited free time whereby it will be impossible for Leadership Camp Staff to maintain constant supervision;
6. That the above-mentioned student may be exposed to certain activities, including but not limited to swimming, free time, and "trust activities" which may present dangerous circumstances, for which I nor the above-mentioned student if under eighteen (18) will not hold liable the Tennessee Association of Student Councils or any of its volunteers, officers, employers, or independent contractors, provided, however, that this clause shall not apply in cases of gross negligence on the part of TASC;
7. That I/we agree to bear the risk of any and all loss or destruction of or damage to personal property from any cause whatsoever at all times on or subsequent to the execution of this document. It is further agreed to hold TASC, including any agent thereof, harmless for any loss and/or damage to personal property proximately caused by the negligence of TASC or any agent of TASC;
8. That photos and videotapes may be taken at TASC's Leadership Camp in which my child may be included. It is expressly understood and agreed by me that these photos or videotapes may be included in TASC's newsletters, magazines, Web site, and/or other publications, as well as in other media or materials for promotional, editorial, trade, and/or advertising purposes and I hereby provide my permission for such use. IF YOU DO NOT WANT YOUR PICTURE OR YOUR CHILD'S PICTURE TO BE USED IN THIS MANNER, PLEASE CONTACT US IMMEDIATELY.

9. That I hereby give permission and power, in the event that my child is in need of medical attention, to the Tennessee Association of Student Councils (TASC) to execute any and all medical authorizations necessary to provide medical treatment of my child, provided that I cannot be located within a reasonable time relative to the pending medical consultation, procedure, and/or treatment and agree to be responsible for payment for such care. I also grant permission to the Tennessee Association of Student Councils to provide, on site, if necessary, and without the supervision of professional medical personnel, simple medical care including but not limited to bandages and over-the-counter medication for first aid purposes. I release TASC and its agents/representatives from any damages, liability, or loss resulting from their securing good faith medical care for my child.

10. That Leadership Camp Staff will make every reasonable effort to provide a safe and enjoyable learning experience for the above-mentioned student; and

11. That I have completely and fully read this statement and understand its contents entirely and explicitly.
