Hello from East Tennessee! Our club is very happy to have gotten back in the swing of things after 2020-21. We had a great time at the 3 agility trials we put on in Knoxville and Chattanooga, where everyone enjoyed competition, fun with their dogs, and just being together with other Aussie lovers. We had a scent work demonstration last fall that was very educational and fun, and several of our members have since gotten involved in scent work. Our annual holiday/Christmas party was held at a member's house, and everyone had a great time, ate too much good food, and went home with some great gifts. We also had a fun educational event recently where everyone brought a recipe for homemade dog treats and also brought some of the finished product to share. Everyone went home with plenty of treats for their furry friends and the recipes for all the different treats.

We are planning to hold more agility trials and possibly some other events in the coming year, and we hope that many of you will come and join us. Please check our website (www.tennesseeaustralianshepherdclub.org) or Facebook page (www.facebook.com/tnasc) for information on all these events and mark your calendars.

We look forward to seeing many of you at our events in the coming year.
