

Tennessee Australian Shepherd Club (TnASC)

Knoxville, TN Chapter

Susan Little, Affiliate Representative, etn4me@gmail.com

Greetings from East Tennessee! The Tennessee Australian Shepherd Club members have been enjoying our dogs, our friends, and lots of fun activities this past year. We had three great agility trials, one in Oak Ridge and two in Chattanooga, in November, March, and April. The Oak Ridge venue (the Oak Ridge Kennel Club) was a new one for TASC. The trial was held outside on grass and was greatly enjoyed by the dogs and their handlers. We look forward to having future trials there. In December, we had our always-anticipated annual holiday/Christmas party at a member's house.

In the coming year, we are planning at least three agility trials, an educational event/seminar, a fun day with food and games for the dogs and their people, and, of course, our annual holiday/Christmas party. We also always enjoy food and fellowship at our monthly meetings which are held at a local restaurant or a member's house. We hope that many of you will come and join us.

Please check our website (www.tennesseeaustralianshepherdclub.org) or Facebook page (www.facebook.com/tnasc) for information on our club and events.

We look forward to seeing many of you at our upcoming events.
