

Tennessee Australian Shepherd Club (TnASC)

Knoxville, TN Chapter

Susan Little, Affiliate Representative, etn4me@gmail.com

2024-2025 has been busy and fun for members and friends of TnASC. Our core group of members, along with various other volunteers, put together another great year of events for dog lovers here in beautiful East Tennessee.

We've had three great agility trials in the past year. We hosted two separate trial weekends at the Play Dog Excellent facility in Chattanooga, TN, one in November and one in March. We also hosted a great agility trial event at I Spy in Maryville in April. We had great feedback from attendees of all of our trials, as dogs and their owners had fun, got some exercise, and just spent time with each other and with many friends while earning some agility legs and titles, including an ATCH for one dedicated team.

We have not confirmed our continuing education event for 2025, but we are working on some interesting ideas. We will, of course, keep everyone posted on what, when, and where this event will take place.

In December, we had a wonderful holiday celebration in the home of one of our members. We all had a great time talking, laughing, and eating as well as exchanging gifts. This was, as always, a very warm and enriching event that added something wonderful and intangible to an already blessed season.

We are planning our usual fall agility trials in Chattanooga, TN, in November, and our spring agility trials for next year. Watch for details about all of these events on our website (www.tennesseeaustralianshepherdclub.org). You can also "Like" us and follow our activities and events on our Facebook page at www.facebook.com/tnasc.

We hope to see many of you at one of our upcoming events in the East Tennessee area in the coming year!
